# FROM KIDNAPPING TO RESCUE: HOW THE DRAMA UNFOLDED

**2017**  
Dec: Nitin Sharma, a dhaba owner, hatches plan to kidnap a child to earn quick money; ropes in two petty criminals, Pankaj and Ravi

**2018**  
Jan 20-24: The men conduct a recon; three failed attempts follow  
Jan 25, 07:35 am: Ravi and Pankaj kidnap the child from the school van, leave his sister behind; they shoot at the driver while fleeing

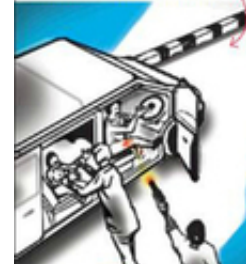

Jan 28, 12:30am: The men make first ransom call of Rs 60 lakh on WhatsApp  
7:30pm: The kidnapers send a video on the app to show the child is safe

## OPERATION C-RIVER Feb 5

Parents told to deliver ransom money at C-River Mall  
8pm: Cops zero in on Nitin Sharma, track him down in northeast Delhi while he is on his way to the hideout in a Swift Dzire

**12.45 onwards**  
 ► Cops make Nitin knock on the flat door; Ravi suspects foul play, opens fire  
 ► Two policemen hit on chest, saved by bulletproof jacket  
 ► Cops fire back. Take down Ravi, Pankaj injured; Child rescued

Jan 29-4 Feb  
 ► The men communicate through stolen mobile phones and WhatsApp messages to avoid detection  
 ► Cops track the kidnapers' phones through message forwards by parents. They pose as salesmen and students to scout Shalimar City for possible location of the hideout

11.15pm: Sharma is cornered near New Seemapuri area; questioned  
 11.30-12.30am: Crack team, comprising commandos and crime branch sleuths, is readied; a strategy is chalked out after getting details from Sharma

8.30am: Child is taken to flat number 505, Shalimar City, Sahibabad  
 Jan 25-27: Kidnapers lie low; keep close watch on developments

**WRONG NUMBER**  
 A phone conversation that the family had with a relative in which the topic of money cropped up was mistaken for a ransom call. Cops tracked the caller to Baanda, but realised he had nothing to do with the kidnapping

**RED HERRINGS**  
 Initially, the local police zeroed in on the wrong suspect due to misleading clues on Facebook and in dossiers. The leads took the cops to Morana in MP, where it required three days to nab the suspect, only for them to rule out his involvement

**TECH FOR SURE**  
 The cops had a tough time tracking communication clues because the suspects used stolen phones and WhatsApp chat. Videos to assure the family of the child's safety and to create pressure on them were also sent on WhatsApp

**FEMINE TOUCH?**  
 Investigation unearthed the possible involvement of a woman. Police suspect she made the first ransom call and took care of the abducted boy. Bangles were also found in the room
